

Product Change Notice: CliQ II Series 24V 240W 2-Phase and 48V 240W 1-Phase

Delta has updated the CliQ II DRP-24V240W2BN due to the end-of-life (EOL) status of certain components. Additionally, the BSMI logo has been removed from the label of the DRP048V240W1Bx models, as its certification has expired and will not be renewed. Please refer to the table below for further details.

Implementation Date: Mar-2025

Change Details:

Model	Description	Label Revision	
		Old	New
DRP-24V240W2BN	Update EOL components	04	05
DRP048V240W1BN	Remove BSMI	5.1	5.2
DRP048V240W1BA	Remove BSMI	6.1	6.2
