New Delta Standard Power Supplies and LED Driver Catalogs (October 2015 Edition) are Now Available

The October 2015 edition of Delta Standard Power Supplies catalog and leaflets are now available. Two new product series and 20 new models have been added. The new product series are the Lyte DIN Rail power and PMH Panel Mount power supply series. As always, we are continuously improving our catalog with new features. You can now find the Latest Product page and Typical Application illustration in this edition.

In addition, a new LED Driver catalog has also been introduced. More than 70 models of LED drivers can be found in this catalog.

How to get your catalog?

■ **PRINTED COPY**

If you would like a printed copy of the catalog, simply contact your local Delta Electronics distributor.

■ **ONLINE**

You can download a PDF version of the catalog from our website under Marketing Resources section.

■ **MOBILE DEVICES**

With our responsive homepage, you can either view our product details on your mobile devices effortlessly or browse the PDF version of the catalog.

The iOS App for DeltaPSU has thus been terminated since the responsive homepage will adapt to both iOS and Android mobile devices.
